

St. Christopher Fund Application Key

In order to help you prepare to complete the application at one time (it **cannot** be saved once started), please use this key to find information needed.

1. You will need to provide the name(s) and phone number(s) of the physician's caring for the medical problem that caused you to need assistance.
2. Short and long-term disability is typically offered through your employer or an outside source such as AFLAC. This is not the same as social security disability or worker's compensation. Please check your paystubs and/or ask someone in HR to see if you paid into these insurances.
3. You will be asked to list all of your personal expenses on the application. Please have these ready and have them totaled. Use this to help you prepare:

Expense	Amount
