TESTIMONIES

Beneficiaries

"SCF was a huge blessing to us! They helped pay our rent after my husband was diagnosed with Multiple Myeloma and couldn't drive. They were so easy to work with and Dana was so pleasant and helpful every time I called! She truly cared about us and what we were going through. Every trucker should know about this amazing organization! Thank you so much!" **wife of driver with cancer**

"I want to thank you for the work that you do. My husband had a major stroke which ended his trucking career and at the time I wasn't working and begging companies to please hire me. It was roughest time of my life. Your organization helped me and you have no idea how much we appreciated and needed your help. Thank you from the bottom of my heart and God bless you and your organization." **Driver with stroke**

"Every year I get a physical through the VA and they draw labs every year as well. Last year when my labs were drawn the numbers indicated a move towards prediabetes or diabetes and that was what had me join your program. I had my yearly physical on Monday with labs drawn and I was just informed everything was within normal range and not the numbers I had last year. Those little changes can make a difference. I just wanted to share this with you!" **Tim F., Driving Down Diabetes participant.**

"715 days smoke free! I cannot believe how far I have come! I'm so grateful for all the support that made it a possibility." **Rigs Without Cigs Participant**

Companies

"Our employees and drivers are the heart of Heartland. They power us, which is why we want to make sure each of them and their families are cared for and supported. Donating to St. Christopher Fund is like donating to the safety and security of our team. It's a no-brainer, and I hope other companies in the industry will follow suit." **Michael Gerdin, Heartland Express Chairman and CEO**

"RoadPro Family of Brands is honored to support St. Christopher Truckers Relief Fund and sponsor the Rigs without Cigs program. Truck drivers keep America moving, and without them, we would not have what we need to survive. We are proud to contribute to SCF who provides valuable assistance to truck drivers in their time of need." **RoadPro Family of Brands, Senior Marketing Content and Community Manager**

"TravelCenters of America through our TA and Petro Stopping Center brands have been a part of the St. Christopher Trucker's Relief Fund since 2010. Since that time, we have raised over \$2 million dollars through our Band Together for SCF wrist band program as well as other fund raising activities. Since this time, the Band Together for SCF program has been the largest yearly fund raising effort for the charity." **TravelCenters of America**

What types of assistance are provided?

Assistance is provided for essential expenses including rent/mortgage, utility bills, vehicle payments, insurance, and prescriptions. These payments are made directly to bill holders. What is not covered?

We **do not** pay for past medical bills, cable, phones/cell phones, motorcycle/boat payments, vacation homes, traffic tickets, dental work, credit cards, pet care, funeral expenses, child support, gifts, transportation or bills deemed by the committee as unnecessary or excessive.
