“Team driving out on the road, getting to see this beautiful country and all its glory, life was so good. In an instant that was all changed by a stroke. All of a sudden the guy who helped others was now forced to ask for help for himself. Thank God for St. Christopher’s Trucker Relief Fund! Hospital bills were coming at me hard and fast and I had no income. I was afraid I was gonna get behind on my mortgage and lose my home I worked so hard building. SCF stepped in and gave me some breathing room by paying my house payment for a month and letting me focus on my health and I am so thankful. God bless SCF and all who donate to help truckers like me.” George

“This is my second battle with a rare cancer. In 2009 at the age of 29 I was diagnosed with Modullerblastoma. Only 20% of adults ever develop this type of brain cancer. I had a tumor in my cerebellum the sz of an egg. Fast forward 15 years later 1/31/2024 I was diagnosed again with a rare cancer. Stage 4 esophageal cancer known as adenocarcinoma. I don't know what my story looks like from here going foward. I am on chemo, immunotherapy, and iron infusions. I am going to manifest that 2024 will be my best year yet!” Jonathan

“St Christopher Fund is a wonderful organization that helped me out in a serious time of need. I’m very thankful for everyone involved in helping me pay a few bills. I can’t thank you enough St. Chris! When I get back on my feet, I’ll be more than happy to donate to this wonderful organization!! Thank you and God Bless!!” Todd

“I drove trucks for over 20 years over the road. One night I returned home from Florida after being out on the road and I laid down to take a nap. When I woke up to take my evening meds, I started feeling funny and fell back down on the couch. I called for my wife to come and help me and she realized I was having a stroke. I thank God I was home and not on the road and I thank God St. Christopher Truckers Fund helped me when I needed it the most.” Orville
