

# 2024 Q2 Impact Report

The St. Christopher Truckers Relief Fund is a non-faith based 501(c)(3) charity that provides financial assistance for necessity household expenses for over-the-road, Class A semi-truck drivers when an illness or injury, occurring within the last year, caused them to be out of work and experience financial difficulty. The St. Christopher Fund also provides free preventative health and wellness programs for OTR, Class A semi-truck drivers in the hopes of seeing a healthier driver population. Our health and wellness programs include smoking cessation, diabetes prevention, chronic disease management, at-home cancer screenings, and a vaccine voucher program where uninsured drivers can get free flu, shingles, and pneumonia vaccines.

**“SCF was a Godsend. We would have been bankrupt within a month without their support.”**

**“On June 2nd I got diagnosed with stage 5 chronic kidney disease, heart failure, and other health issues, and I am no longer able to work. Hearing this news was heartbreaking! I have always worked hard and provided for my family. It’s been so hard for my wife and son dealing with insurance, bills, rent, etc. but thanks be to God for the St. Christopher Truckers Fund who reached out to me and my family open arms, hearts full of love, and took some burden off our hands! It’s tough, but God placed this awesome and loving charity in our lives and we appreciate them so much from the bottom of our hearts! Thank you St. Christopher Fund! God bless y’all in everything that you do for ALL of us.”**

**“We want to thank the St. Christopher Truckers Relief Fund organization for being a big help in keeping my family from losing our home. As an OTR commercial driver not being able to drive due to my recent brain aneurysm and other health issues has put a big strain on our finances. It's been a tough journey for all of us but because of your help it's made it less of a hardship. Thank you from the Escriche Family.”**

**“To say we are so thankful is an understatement. St. Christopher Fund helped us with our mortgage and car payment. They will never know how much their generosity means to my wife and I. These people are angels in disguise. Thank you!” Charles**
