

2025 Q1 Impact Report

The St. Christopher Truckers Relief Fund is a non-faith based 501(c)(3) charity that provides financial assistance for necessity household expenses for over-the-road, Class A semi-truck drivers when an illness or injury, occurring within the last year, caused them to be out of work and experience financial difficulty. The St. Christopher Fund also provides free preventative health and wellness programs for OTR, Class A semi-truck drivers in the hopes of seeing a healthier driver population. Our health and wellness programs include smoking cessation, diabetes prevention, chronic disease management, at-home cancer screenings, and a vaccine voucher program where uninsured drivers can get free flu, shingles, and pneumonia vaccines.

\$89,935.39

Paid on behalf of truck drivers for household expenses including rent or mortgage, utility bills, vehicle payments, and/or insurance payments

\$5.11+ million

Total paid on behalf of
drivers since 2008

4,051+

Total drivers helped since 2008

"Team driving out on the road, getting to see this beautiful country and all its glory, life was so good. In an instant that was all changed by a stroke. All of a sudden the guy who helped others was now forced to ask for help for himself.

Thank God for St. Christopher's Trucker Relief Fund! Hospital bills were coming at me hard and fast and I had no income. I was afraid I was gonna get behind on my mortgage and lose my home I worked so hard building. SCF stepped in and gave me some breathing room by paying my house payment for a month and letting me focus on my health and I am so thankful. God bless SCF and all who donate to help truckers like me." -George

"I have been a trucker since I was 21. That's all I ever wanted to do. Drive semi trucks. In 2019 I would face an unexpected health challenge. My health improved and started taking maintenance medication. In 2024 my health worsened, an adverse reaction to the new medication. I barely worked the whole year. Thanks to the St Christopher Truckers Fund, they helped with our mortgage. I bounced back towards end of the year. 2025 I got COVID and was hospitalized twice. I reached out to St. Christopher again, they helped my family. I have never heard of St Christopher in my whole trucking years. The hospital gave my wife some financial resources. As a family, we would like to say thank you to the St. Christopher board members, staff and donors. You have made a big impact in our lives. God bless you." -J.Jones

"My trucking career officially started in March 2023, doing Teams OTR for some time and then solo.

In June 2024 everything changed, I fell and tore my ACL on my left knee. I had to step out of the truck and get knee surgery. I was struggling financially since I had to use all my savings to still pay for living and medical expenses.

Suddenly I remembered this organization that helps truckers and I reached out and they assisted me very kindly. Thanks to organizations like this we can take a little break from all the burdens of an injury, recovery and being out of work.

Thank you!!"

-Natasha

"I was a OTR truck driver and I would donate pocket change at The TA truck stops. Then April of last year I suffered from a stroke and St. Christopher's came to my family's rescue. St. Christopher's has helped me out twice now and I have suffered from 5 strokes in a years time i n fact you guys just came to my rescue again...when everyone let me down St. Christopher was there and I won't forget it."

-Derek

HEALTH & WELLNESS PROGRAMS

Rigs Without Cigs	Smoking Cessation Program	<ul style="list-style-type: none">• 238 drivers have quit smoking• 156 have cut tobacco use in half
