TESTIMONIES

Beneficiaries

"St. Christopher Fund helped me pay some of my bills after I had to have one of my kidneys removed be-cause of a tumor. They were easy to work with and quick to help. They made my recovery a bit easier. Thank you SCF!"

"This organization is truly a life saver for so many truckers. They understand and truly save lives. I owe them a debt of gratitude and I am forever thankful." Djuan

"SCF was truly a blessing to me and my family. Thanks to them, we were able to keep a roof over our head and the lights on. I could never repay the kindness they have shown." J. Ford

"I would like to say thank you from the bottom of my heart to the St. Christopher Fund. Sometimes the unex-pected happens, and even with all the planning and saving, it just might not be enough. Thanks to SCF, my lights are on this month and my rent is paid. Once I'm cleared to go back to work, I plan on donating so the next driver will have the opportunity to receive help like I did. Thanks again St. Christopher Fund!" King Paul

*"Every year I get a physical through the VA and they draw labs every year as well. Last year when my labs were drawn the numbers indicated a move towards prediabetes or diabetes and that was what had me join your program. I had my yearly physical on Monday with labs drawn and I was just informed everything was within normal range and not the numbers I had last year. Those little changes can make a difference. I just wanted to share this with you!" **Tim F., Driving Down Diabetes participant.***

*"715 days smoke free! I cannot believe how far I have come! I'm so grateful for all the support that made it a possibility." **Rigs Without Cigs Participant***

Shell Rotella

"AMBEST has been a steadfast supporter of the St. Christopher Truckers Relief Fund for a long time. This year during our annual meeting, our members' contributions to the donation drive once again exceeded our expectations. After the pledges were collected, a female OTR driver approached me and shared a powerful testimony: "Five years ago, I was diagnosed with breast cancer. When no other organizations were willing to assist, the St. Christopher Fund came to my aid." Moments like this make our support and efforts truly worthwhile. We extend our heartfelt gratitude to the entire St. Christopher Fund team."

Chuck Ryan, President & CEO, AMBEST Inc.

"OOIDA supports the St. Christopher Fund because we know how important it is to keep truckers on their feet until they can get back on the road. Truck drivers keep things moving and we want to do all we can to help them and their families in times of need."

A Message from Our New Executive Director

Hello,

I'm honored and excited to step into the role of Executive Director at St Christopher Truckers Relief Fund. From the moment I was introduced to this organization, I was inspired by the incredible work being done and the passion of the people who make it all happen—staff, board members, volunteers, and supporters like you.

My professional journey has been rooted in community health and prevention, with a strong focus on serving and empowering others. I bring experience as a Community Health Prevention Specialist and a demonstrated history of working in nonprofit organizational management. Over the years, I've developed a deep skill set in community organizing, health advocacy, nonprofit leadership, organizational development, grant writing, and training. I look forward to listening, learning, and working alongside each of you to build on the strong foundation that already exists and help guide us toward an even brighter future.

Thank you for the warm welcome. I can't wait to get started and to meet many of you in the weeks and months ahead.

With gratitude,
Courtney Niemann, Executive Director

Driven to Be Healthy: Supporting Driver Wellness Nationwide

The St. Christopher Fund's Driven to Be Healthy (DtbH) programs have been working diligently to support over-the-road (OTR) drivers across the country. Through our efforts, drivers have gained increased access to preventive cancer screenings, vaccinations, diabetes education, tobacco cessation support, and chronic disease management.

We're excited to share new additions to the DtbH programs designed to better support drivers' long-term health and well-being.

Starting July 1, 2025, SCF will launch a pilot partnership with Corporate Chaplains of America to help address the unique challenges faced by OTR drivers such as social isolation and an elevated risk of mental health issues.

We're also proud to announce a new collaboration with HabitNu, a recognized umbrella hub for the CDC's Diabetes Prevention Program. This partnership will give participants access to a user-friendly platform where they can attend classes, track their habits and health metrics, and receive personalized support.

Finally, we're thrilled to report that our second annual Heart & Sole Virtual 5K was a success! Inspired by SCF Ambassador Shaun Lezer, drivers and supporters from across the country came together virtually to raise awareness about health disparities in the industry and the importance of movement and exercise in promoting driver health.
