

2025 Q3 Impact Report

The St. Christopher Truckers Relief Fund is a non-faith based 501(c)(3) charity that provides financial assistance for necessity household expenses for over-the-road, Class A semi-truck drivers when an illness or injury, occurring within the last year, caused them to be out of work and experience financial difficulty. The St. Christopher Fund also provides free preventative health and wellness programs for OTR, Class A semi-truck drivers in the hopes of seeing a healthier driver community. "When I was diagnosed with cancer, I wasn't financially prepared, and needed help from friends and family. Thankfully, someone told me about the Truckers Fund. I filled out the application and with the help of SCF, I received the financial help I needed. I will always be thankful to St. Christopher Truckers Fund!"

**GIVING
TUESDAY**

As GivingTuesday, on December 2, 2025, and the season of generosity approaches, we're deeply grateful for the donors who make our work possible at the St. Christopher Truckers Relief Fund. |

For nearly 20 years, we've provided emergency relief to over-the-road truckers facing medical crises. When illness or injury takes a driver off the road, your support becomes a lifeline.

Why Give Now?

Truckers keep America moving—but many face hardship without a safety net. Your gift this GivingTuesday helps us reach more drivers in crisis and build a stronger, healthier trucking community.

Ways to Give.

You can give hope to truck drivers by donating at truckersfund.org, sharing our mission, sponsoring a wellness program, or starting a fundraiser or company match to amplify your impact. You can also support truckers and honor those who have fallen and who serve by sponsoring a wreath through Wreaths Across America. For every wreath sponsored, SCF receives \$5 to help drivers in need. Use the QR code to make your impact today.

With sincere thanks,
Diane Hutsell, Director of Philanthropy

Thank you to our sponsors for supporting truck drivers and St. Christopher Truckers Relief Fund during Truck Driver Appreciation Week. Your generosity helps us provide vital relief and reminds drivers they're valued and never alone.

A Message from the Executive Director

As I wrap up my fifth month as Executive Director, I want to take a moment to share some updates and reflections. It has been an exciting and eye-opening start, and I am deeply grateful for the opportunity to serve both the OTR drivers who rely on us and the donors who make our mission possible.

Recent Highlights

- Virtual 5K – Thank you to everyone who participated! We are thrilled to announce that next year's walk is scheduled for May 3–9, 2026.
- TA Golf Tournament – While we do not yet have the final donation total, early indications suggest it will surpass 2024's results.
- TA Coffee Cup Roundup – Thanks to the generosity of customers and team members, this year's campaign raised \$32,303.

•First Truck Show- I visited the Walcott Truckers Jamboree at Iowa 80 in July. What a GREAT event! I can now say I have been to "World's Largest Truckstop".

Five Months In: Lessons Learned

During these first few months, I've gained a deeper appreciation for the unique role SCF plays in the lives of OTR professional drivers. A few key lessons stand out:

- Partnerships matter. Our sponsors and supporters are not just donors—they are true champions of our mission.
- Communication builds connection. Keeping our community informed strengthens trust and engagement.
- Small steps lead to big impact. Every campaign, whether large or small, makes a measurable difference when sustained over time.
- Wellness sets us apart. Our health programs give drivers support that extends beyond financial relief, helping them to stay on the road and with their families.

I look forward to building on this strong foundation and working alongside all of you to continue growing SCF's impact. Thank you for your support, encouragement, and commitment—it makes all the difference.

With gratitude,
Courtney Niemann, Executive Director

"I have been a donor to St. Christopher for a couple of years now, and I never imagined I would eventually need them too. My wife and I are so thankful for the assistance. I am able to take the time to recover without fretting over a truck payment."

-Chuck

"As a trucker, you can definitely count on the St. Christopher Truckers Relief Fund to be there for you in times of need. Thank you!"
